Vertical Powder Packing Machine HY-80BP

Specifications :

Price	Contact us
Brand Name	Hanyi
Place of Origin	China
Min.Order Quantity	1
Payment Terms	L/C, T/T, Paypal
Supply Ability	1000
Delivery Detail	3days--7days
Packaging Details	Wooden case or wooden pellets depended on clients' require

Detail Introduction :

Application

It is suitable for large-scale packaging of powdered materials in the food, medicine, and agricultural industries, such as coffee, milk powder, starch, washing powder, etc.

Main features

Sealing form is backside sealing type.

It can automatically complete bag making, metering, blanking, sealing, slitting, counting, and can be configured to print batch numbers and other functions according to customer requirements. The advanced PLC controller is used to drive the stepping motor to control the bag length, with stable performance, convenient adjustment and accurate detection. Choose intelligent temperature controller, PID adjustment, to ensure that the temperature error range is controlled within 1 ?. Packaging materials: Polypropylene/polyethylene, aluminum foil/polyethylene, polyester/aluminized/polyethylene, nylon/reinforced polyethylene, paper/polyethylene, etc.

Technical Parameters

Model	HY-80BP
Bag size	Width: 80-200mm, Length: 80-280mm
Packing speed	25-50 bags/minute
Measuring range	50-700g
Power supply	220V/50Hz/1.9KW
Machine weight	450KG
Machine Overall size (L*W*H)	1000*900*2200mm
