Industrial Automatic High Resolution Inkjet Printer Free Maintenance Support SDK And API

Spesifikasi :

Nama Brand	Hanyi
Tempat Asal	Shanghai, China
Min.Jumlah Pemesanan	1unit
Syarat Pembayaran	T/T
Detail Pengiriman	5 days - 20 days
Detail Packing	Standard export wooden case or carton box.

Detail Pengenalan :

Maintenance-free, high-resolution inkjet printer

Description

The first high-resolution inkjet printer set, HP quality guaranteed. Ink system and nozzle are integrally packaged;

No moving parts, no ink leakage, maintenance free nozzles. Except consumables, there are no other hidden costs.

Supports PCA, UPCE, EAN13, EAN8, INT25, CODE39, CODE128, EAN128, PDF417, DM, QR.

Product Features
All-in-one box design
Multi-threaded control system
Original scanning function (optional)
Automatic cache printing
Database support
Application support such as SDK and API
External data source
Software customisation service

Free maintenance
Ink system and nozzle are integrally packaged; No moving parts, no ink leakage, nozzle maintenance is free; Except for consumables, there is no other hidden cost.

Low cost
Super cheap, low cost of use; 20% less ink consumption than others

Multiple applications
Multiple inks and colours, no material restrictions; Plug and spray, environmental protection, safety and convenience! Software and hardware customisation services to provide quality solutions.

Specification

Model	HY-T300 Thermal Inkjet Printer
Display	5-inch color display
Status indication	Ink monitoring, device status, USB application, synchronizer, external photoelectric auto-detection and access
Operating language	Chinese/English (Japanese, French, German, Spanish, Portuguese, Russian, Korean)
