

1000-3000 bottles/hour Spider Hand-type Energy-saving Blow Dryer/ Glass Bottle Drying Machine

Spesifikasi :

Nama Brand	Hanyi
Tempat Asal	Shanghai, China
Min.Jumlah Pemesanan	1 unit
Syarat Pembayaran	T/T
Detail Pengiriman	5 days - 20 days
Detail Packing	Standard export wooden case or carton box.

Detail Pengenalan :

Spider hand-type energy-saving blow dryer

It replaces the traditional brush type dewatering device, does not need heating, and uses strong wind (air knife) to dry the bottle water. The bottle body is pollution-free, no need to replace the brush, no need to replace the electric heating tube, save the cost of use, and improve the performance. Advanced and more reliable.

Model	Production capacity (bottles/hour)	Whole machine power (KW)	Applicable bottle type (mm)	Dimensions (mm)
