

# Automatic Multi-Function Stainless Steel #304 Capsule Pill Packaging Machine

## Specifications :

Price	Contact Us
Brand Name	Hanyi
Place of Origin	Shanghai, China
Min.Order Quantity	1 set
Payment Terms	T/T
Delivery Detail	5 days - 20 days
Packaging Details	Standard export wooden case or carton box

## Detail Introduction :

### Automatic Multi-Function Stainless Steel #304 Capsule Pill Packaging Machine

#### Application:

Application Industry: Food and food ingredients, seed industry, chemicals, animal feed, hardware and industrial accessories (such as screws and locks and hinges, etc.), fertilizers, other non-food (such as daily necessities, clothing accessories, etc.). It is also suitable for non-food industry such as screws, bolts and plastic components.

Its working process is the transmission of drug plates or articles (one or more plates can be adjusted at a time); the transmission of drug instructions (automatic folding of 1-4 folds); the automatic formation and transmission of cartons, which load the folded instructions into the cartons at the same time; and automatically complete the complex packaging processes such as batch printing, carton sealing at both ends. The machine can be connected with blister packaging machine to form a packaging line (heating glue melting machine)

### Main technical parameters
