

Automobile Industries Air-Blowing Printing & Labeling Machine Real-Time Online

Spesifikasi :

Nama Brand	Hanyi
Tempat Asal	Shanghai, China
Min.Jumlah Pemesanan	1 unit
Syarat Pembayaran	T/T
Detail Pengiriman	5 days - 20 days
Detail Packing	Standard export wooden case or carton box.

Detail Pengenalan :

Real-time Online Air-blowing Printing & Labeling Machine

Description:

Real-time online printing labeling machine is suitable for food, medicine, logistics and automobile industries.

Integrating thermal transfer printing with automatic labeling technology, it is widely used in automated production and packaging lines and the intermediate links of logistics to realize the functions of automatic printing, printing and sticking of real-time information, avoiding man-made labeling errors occur in real-time content, and the information is reflected on the labeled objects in real time and effectively.

It can also be connected to the system database to achieve multiple level-coded association provides an effective implementation tool for anti-counterfeiting and anti-smuggling in various industries.

Main features:

1. Suitable for labeling on the top or side for flexible packaging such as bags, blister, bread, shrink film and stretch winding, etc.
2. No need to contact with the surface of the labeled object, and does not affect the product shape, appearance and quality, etc..
3. The fastest is up to 75 times per minute movement labeling.
4. Widely used in food, beverage, medicine, chemical, clothing and other industries.

Factory and application:

Hanyi Labeling machine has been widely used in different fields.

FAQ

1. Whats the lead time/manufacturing period for the labeling machine?
10-25 working days.
2. Are you a trading company or a manufacturer?
Factory with core technology.
3. Where is your factory located?
Shanghai, close to air port.
4. What is your MOQ?
1unit.
5. Whats the payment term?
T/T.
6. What about your after-sales support?
24 hours,timely response.
7. How do you pack the equipment?
Standard export wooden case with CE mark.
8. If OEM is acceptable?
OEM is acceptable.
9. Can you can design the equipment according to our size?
Sure.We offer different solutions based on different requests.
10. Do you have detailed and professional installation manual?
Yes, we have detailed manual and will pre-set parameters for you.

Shanghai Hanyi Engineering Equipment Company is an experienced manufacturer of labeling machines and solutions in China.
