

Third-level Packaging Code Control Line Body Electronic Supervision Code System

Spesifikasi :

Nama Brand	Hanyi
Tempat Asal	Shanghai, China
Min.Jumlah Pemesanan	1 unit
Syarat Pembayaran	T/T
Detail Pengiriman	5 days - 20 days
Detail Packing	Standard export wooden case or carton box.

Detail Pengenalan :

Third-level packaging code control line body

Application:

The electronic supervision code system is suitable for the three-level packaging of carton, which can complete the code distribution, code acquisition, labeling and other processes.

Specification

Product size	Thickness 50-500mm, width 50-500mm, length ?800mm
Labeling speed	30-80 boxes/minute (related to materials and actual conditions)
Bar code collection surface	plane, side

Power supply and power	220VAC±5% 50Hz 2Kw
Working pressure	0.4-0.7 Mpa
Dimension	(L)2,000×(W)1,000×(H)1,000 mm

Main features:

1. Equipment composition?

The equipment consists of a heavy-duty three-dimensional adjustment bracket, a PLC central controller, a real-time printing engine and a labeling robot arm.

2. Operating system:

Multi-functional man-machine interface, visual monitoring of production count, parameter adjustment, etc., with rich support functions and fault display functions.

3. Main body:

The main body and parts are all made of S304 stainless steel and high-grade aluminum alloy. Sandblasting oxidation treatment, never rust, high corrosion resistance, beautiful appearance;

4. Real-time printing and labeling engine:

Thermal/thermal transfer printing technology, multi-interface connection with industrial computer; flexible label editing software, compatible with most Chinese/English label editing tools, and strong flexibility in editing and printing content.

5. Labeling robotic arm:

Through the combination of printing engine and pneumatic components, the label suction board first sucks the printed label, and then attaches it to the product.

FAQ

1. Whats the lead time/manufacturing period for the labeling machine?

10-25 working days.

2. Are you a trading company or a manufacturer?

Factory with core technology.

3. Where is your factory located?

Shanghai, close to air port.

4. What is your MOQ?

1unit.

5. Whats the payment term?

T/T.

6. What about your after-sales support?

24 hours,timely response.

7. How do you pack the equipment?

Standard export wooden case with CE mark.

8. If OEM is acceptable?

OEM is acceptable.

9. Can you can design the equipment according to our size?

Sure.We offer different solutions based on different requests.

10. Do you have detailed and professional installation manual?

Yes, we have detailed manual and will pre-set parameters for you.
