

# 5-30 Bottles/Min Horizontal Type Liquid Filling Machine/ Equipment For Foodstuffs, Cosmetics

## Spesifikasi :

| Nama Brand           | Hanyi                                      |
|----------------------|--|
| Tempat Asal          | Shanghai, China                            |
| Min.Jumlah Pemesanan | 1unit                                      |
| Syarat Pembayaran    | Т/Т  |
| Detail Pengiriman    | 5 days - 20 days                           |
| Detail Packing       | Standard export wooden case or carton box. |
|                      |  |

## **Detail Pengenalan :**

### Horizontal Type Liquid Filling Machine

#### Description

The product is simple and reasonable in design, high in accuracy and easy in operation. Suitable for filling liquid in the industries of pharmaceutics, daily chemicals, foodstuffs, cosmetics, pesticide and

#### special trades.

This model is a semi-automatic double piston liquid filling machine, which improves the work efficiency. With no need for power supply, the machine is safe and with the personalized design, can meet the modern enterprises requirements.

It is reasonable in design, smart in model, easy to operate, the pneumatic part adopts the renowned brand Taiwans AirTac\SHAKO.

The part contacting materials is made of 304 stainless steel. With adjustment handle of filling volume, the filling speed can be adjusted at will, with high filling accuracy.

Filling head adopts anti-leakage, anti-pull and with diving filling device With special three-link filling valve, under the action of pison reprocating movement, it can reach the aim of filling. As piston twitching, the material-conveying valve opening to fill.
