| Nama Brand           | Hanyi                                     |
| Tempat Asal          | Shanghai, China                           |
| Min.Jumlah Pemesanan | 1 set                                     |
| Syarat Pembayaran    | T/T                                       |
| Detail Pengiriman    | 5 days - 20 days                          |
| Detail Packing       | Standard export wooden case or carton box |

## Detail Pengenalan :

### Description

The design is scientific and reasonable. Good appearance, easy operation and convenient maintenance. Bottle Beverage Filling Machine adopts block bottle-neck hanging work state design, and adopt filling valve rise-drop designing. It's designed for 95°C hereinafter hot filling technology demand. It adopts person-machine interface touch-screen, PLC, transducer etc advanced control technology. Material contact with drink is SUS304 stainless steel.

The machine main motor, reducer, mostly axletree, pressurize parts and electricity ware element, gas drive element etc adopts famous international manufacturer products.
