Detail Pengenalan :

Main features

Flexibility

Due to the ultra-low table top and unrestricted weighing, it is possible to integrate load cells in very small spaces, and also to place electronics and optional terminals in convenient locations.

High performance

Fast automatic weighing and 10 microgram accuracy ensure high productivity, seamless quality control and traceability.

Solid design

The durable stainless steel housing with connection flange and industrial-grade plug is guaranteed to provide high reliability and long service life.
