

Real-time Online Swing Arm Type Printing And Labeling Machine For Food, Medicine

Specifications :

Brand Name	Hanyi
Place of Origin	Shanghai, China
Min.Order Quantity	1unit
Payment Terms	T/T
Delivery Detail	5 days - 20 days
Packaging Details	Standard export wooden case or carton box.

Detail Introduction :

Swing arm type printing and labeling machine

Description:

The real-time online printing labeling machine is applicable to food, medicine, logistics, automobile and other light industry industries. Integrating thermal transfer printing with automatic labeling technology, it is widely used in automated production packaging lines and logistics intermediate links to realize the functions of automatic printing, printing and labeling of real-time information, thereby avoiding manual labeling errors.

Additionally, the required information is reflected on the labeled objects in real time and effectively, it can also be connected to the system database to realize multi-level coding association, which provides effective implementation tools for anti-counterfeiting and anti-smuggling in various industries.

Main features:

1. Oversea brands pneumatic components, high-speed and long-life pneumatic swing arm labeling mechanical arm.
2. Swing arm labeling is suitable for pasting labels on the the front, back or corner positions.
3. Online print engine to ensure print quality and bar code readable.
4. The maximum printing width is 6.6 inches (168mm), printing accuracy is up to 600dpi.
5. The maximum length of labels and ribbons is 900m, which reduces the number of stop-line switching.
6. The fastest can reach 60 labels per minute, supporting 24 hours high-speed continuous printing label.

FAQ

1. Whats the lead time/manufacturing period for the labeling machine?
10-25 working days.
2. Are you a trading company or a manufacturer?
Factory with core technology.
3. Where is your factory located?
Shanghai, close to air port.
4. What is your MOQ?
1unit.
5. Whats the payment term?
T/T.
6. What about your after-sales support?
24 hours,timely response.
7. How do you pack the equipment?
Standard export wooden case with CE mark.
8. If OEM is acceptable?
OEM is acceptable.
9. Can you can design the equipment according to our size?
Sure.We offer different solutions based on different requests.
10. Do you have detailed and professional installation manual?
Yes, we have detailed manual and will pre-set parameters for you.
