

High Capacity 2000-10000 BPH Automatic Capping Machine For Aluminum/ Plastic Cap

Özellikler :

Marka Ad?	Hanyi
Üretim Yeri	Shanghai, China
Minimum Sipari? Miktar?	1unit
Ödeme ?artlar?	T/T
Teslimat Detay?	5 days - 20 days
Paketleme Detaylar?	Standard export wooden case or carton box.

Detayl? Tan?m :

Automatic Capping Machine for Aluminum/Plastic Cap

Description

Automatic capping machine can respectively press pattern and close over for aluminum cap and seal plastic rotary cap, other compressing plastic cap and iron cap of triangle feet. Working head is made according to sample of bottle and cap user provides. The product is designed in first rate, structure is reasonable, appearance is beautiful, adjustment is convenient, practicability is strong and product is deeply praised by users depending on first quality.

Main Features:

Automatic capping machine connects with transporter conveyor and filling machine in line. Bottle is transported to filling machine by conveyor belt, automatic cap-dropping equipment drops cap very well to seal cap.

After sealing, conveyor belt puts out bottle and bottles are packed in a box by a manpower.
